YOUNG MEN SUMMIT (MICYMS) THEME

CONFRONTING A NATIONAL CRISIS: RE-ENGAGING YOUNG MEN IN COLLEGE, CAREER, AND PURPOSE

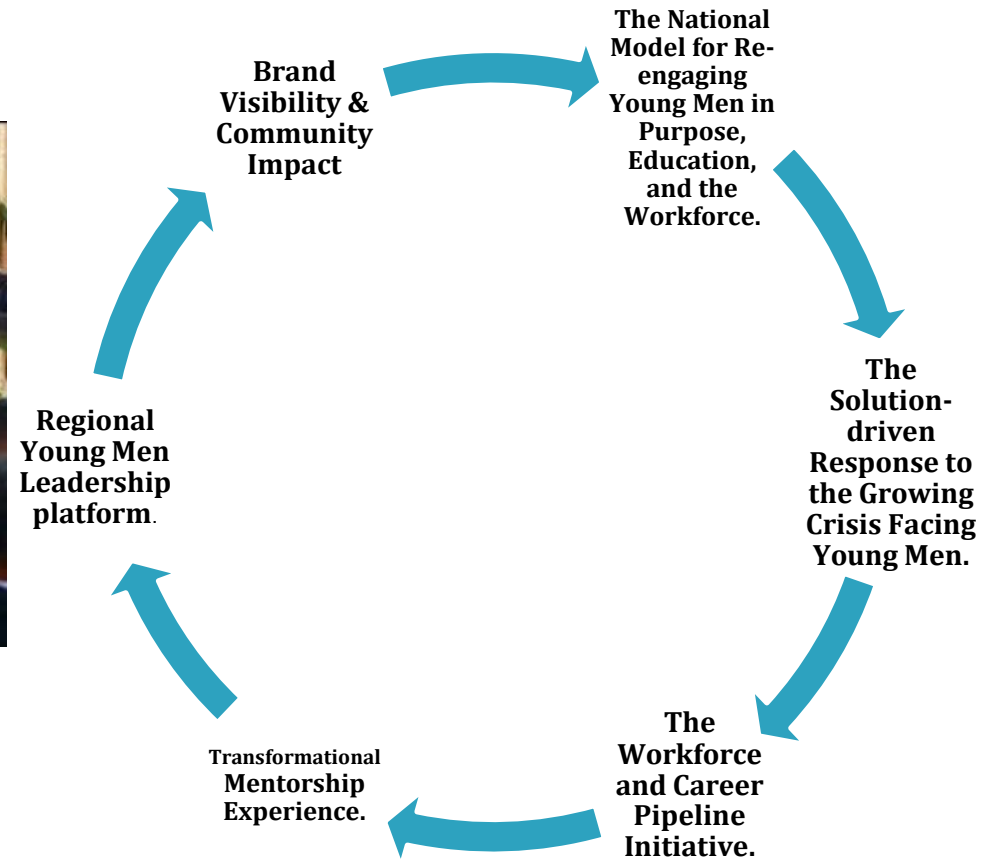

"It's Easier to Build a Boy Than Repair a Broken Man."

Inspired by Frederick Douglass' timeless truth, "It's easier to build a boy than to repair a broken man," Men Impact Change (MIC), in collaboration with Montgomery College (MC), Germantown, presents the **Young Men Summit**: a transformative, full-day immersive experience designed for over 100+ young men transitioning from adolescence to adulthood (ages 15-25).

Across the country, young men are facing a growing crisis: disconnection from education, workforce, and identity. Men Impact Change Young Men Summit (MICYMS) is designed to change that.

Your sponsorship fuels real change by opening doors for young men to lead, learn, and thrive.
